Bag Of Bones Part B

The Maccabees

Double noose a necklace
Bubble wrap to safe the place
Wrinkles of a trophy one
Could think of it as showing us the way
Think of it as showing us the way

Keep it all from sympathy
Your day today your dignity
Bring the other brothers round
We'll think of it as showing us the way
We'll think of it as showing us the way

Bag of bones
Beautiful old bag of bones
So much more besides

Silent when you're so or silent
Nothing more to say
Could think of it as showing us the way
Could think of it as showing us the way

Bag of bones
Beautiful old bag of bones
So much more besides

Bag of bones
Beautiful old bag of bones
So much more besides

Bag of bones
Beautiful old bag of bones
So much more besides
