

# The Game

## Disturbed

Tell me exactly what am I supposed to do  
Now that I have allowed you to beat me  
Do you think that we could play another game  
Maybe I could win this time I kind of like the misery you put me through  
Darlin' you can trust me completely  
If you even try to look the other way  
I think that I could kill this time Wah! Wah  
Wah! Wah It doesn't really seem I'm getting through to you  
Though I see you weeping so sweetly  
I think that you might have to take another taste  
A little bit of hell this time Wah! Wah  
Lie to me  
Wah! Wah  
Lie to me Is she not right? Is she insane?  
Will she now run for her life in the battle that ends this day?  
Is she not right? Is she insane?  
Will she now run for her life now that she lied to me? You always wanted people to remember you  
To leave your little mark on society  
Don't you know your wish is coming true today  
Another victim dies tonight Wah! Wah  
Lie to me  
Wah! Wah  
Lie to me Is she not right? Is she insane?  
Will she now run for her life in the battle that ends this day?  
Is she not right? Is she insane?  
Will she now run for her life now that she lied to me? Is she really telling me lies again  
Doesn't she realize she's in danger  
Eyow Is she not right? Is she insane?  
Will she now run for her life in the battle that ends this day?  
Is she not right? Is she insane?  
Will she now run for her life now that she lied to me? The little bitch, she went and told a lie  
And now she will never tell another a lie  
The little bitch she went and she told a lie  
Never fucking lie to me!
