

Under The Weather

Mac Miller

hey, hey, i bet it must be nice chilling everyday
not really doin shit, a couple millions in the bank
i'm working all the time, never gettin me a break
but fuck it that's fine, not a minute go to waste!
i just wanna be a legend, every second i got to be going in
a part of me wanna chill, but a part of me wanna win
no college paying my bills, i'm saying just what it feels
cause haters be looking stupid when yous keepin it real
i got too much on my mind to care about the internet bullshit
when them people coming, say i'm forgetting who i am
just because they random dudes i went to go to school with.
i'm cool with chillin' with some buddah smoke
i always do it big like a jewis nose
cadillacs, im tryna get a few of those
fuck stress everything will be ok!

chorus:

how did you know i was feelin'
so under the weather (weather) this evenin'
if you don't mind (mind) come rest your mind
i think its all gon' be ok
they say they love you, but they kiddin'
they say they bought your cd but they did it
if you don't mind (mind) come rest your mind
i think its all gon' be ok
Do you believe in, fairytales
dreams come true
one day you gonna make it!
if they gave you hand out, and you were down babe, would you take it?
i found that being famous in reality, well it ain't shit
cause you could have the world in the palm of your hand
but don't mean a thing 'till you change it!
listen baby i'mma be great now
we can watch a movie, fuck, and stay up late
i'mma make my way to the top everyday
i get closer when i was younger told me to wait until i'm older
they turned a cold shoulder to me
and now dey want tickets to my show for the free
hey Mac, can i take a pic?
can i have an autograph, bitch suck my d*ck

chorus:

how did you know i was fealin'
so under the weather (weather) this evenin'
if you don't mind (mind) come rest your mind
i think its all gon' be ok
they say they love you, but they kiddin'
they say they bought your cd but they did it
if you don't mind (mind) come rest your mind
i think its all gon' be ok
go front, back, side to side wave
say hi if i'm ridin by
i know it sucks wit it 9 to 5
but everything will be alright!
we go front, back, side to side
wave, say hi if i'm ridin by
i know it sucks wit it 9 to 5
but everything will be all right!
under the weather shit'll get better
under the weather shit'll get better
the hate ain't gonna last forever
so i just smile its whatever!
under the weather shit'll get better
under the weather shit'll get better
don't let anybody say you can't
heart beatin like an 808
go front, back, side to side
wave, say hi if im ridin by
i know it sucks wit it 9 to 5
but everything will be all right!
we go front, back, side to side
wave, say hi if i'm ridin by
i know it sucks wit it 9 to 5
but everything will be all right!

chorus:

how did you know i was fealin'
so under the weather (weather) this evenin'
if you don't mind (mind) come rest your mind
i think its all gon' be ok
they say they love you, but they kiddin'
they say they bought your cd but they did it
if you don't mind (mind) come rest your mind
i think its all gon' be ok
