All I Do Is Dream of You

Gene Kelly

Kathy and Girls: All I do is dream of you The whole night through With the dawn, I still go on And dream of you You're every thought You're everything You're every song I ever sing Summer, winter, autumn and spring. And were there more Than twenty-four hours a day, They'd be spent in sweet content Dreamin' awayWhen skies are gray When skies are blue Morning, noon and nighttime too All I do the whole day through Is dream of you

All I do the whole day throughIs dream of you.It's cat's meow!All I do the whole day through Is dream of you!
