

Princess Rap Battle: Snow White vs. Elsa

Whitney Avalon

SNOW WHITE:

It's not lame that my aim here's to tell you the truth
I'll hit it out of the park like my name is Babe Ruth
Got a star on the Hollywood Walk of Fame
The fact that you can't claim the same is really a shame
I'm the original princess, you're a copy of a copy
I am porcelain and perfect and your floppy hair is sloppy
I'm fragile but agile, rarely cross
I am sweet, you can tweet, I'm a treat, like a boss Who the hell are you to step to me?
An aimless airhead with a vitamin D deficiency
You got no skills 'cuz you're focused on your looks
And let's get to what was up with you and those seven shnooks (Hi, ho!)
I've heard you sing - it's a high-pitched chirp
You're dopey.

SNOW WHITE: You're grumpy. ELSA: You're a bashful twerp.

That squeaky, meek demeanor is an awful choice
I can drown you out right now with my powerful voice SNOW WHITE:
Um, you should know, that's not singing, you're just yelling
At least now I can't heard the mean lies you're telling
You could've grieved with your sister from the start
But no, you're the one who's really got a frozen heart
You were selfish and deluded when it comes down to it
Had the chance to do better, but like a porn star, you blew it
As for your powers, they're hardly legit
You built a whole castle with nowhere to sit
Does it really count as magic if when you let it go
The only thing that moves is ice and snow?
I talk to animals and it always impresses
You're just a blonde snow-blower in sparkly dresses
Yeah, that's right, manipulating snow, I'm the best at that game
Which means you're under my control 'cuz that's your stupid name
And who eats an apple a stranger gives ya? (Duh)
And who needs a man to save and kiss ya?
I'm savvy, strong, single, and so independent
You're the weakest role model while I am transcendent
You're a forgotten bygone, yes, time is the cruelest
I'm the newest, the boldest, and literally the coolest
So step aside and hide, go find a cottage to clean
You're one ditzzy princess, I'm a motherf'ing queen
