

# November Rain

## Guns N' Roses

When I look into your eyes  
I can see a love restrained  
But darlin' when I hold you  
Don't you know I feel the same Yeah Nothing lasts forever  
And we both know hearts can change  
And it's hard to hold a candle  
In the cold November rain We've been through this such a long long time  
Just tryin' to kill the pain Oh Yeah But lovers always come and lovers always go  
An no one's really sure who's lettin' go today  
Walking away If we could take the time  
to lay it on the line  
I could rest my head  
Just knowin' that you were mine  
All mine  
So if you want to love me  
then darlin' don't refrain  
Or I'll just end up walkin'  
In the cold November rain Do you need some time...on your own  
Do you need some time...all alone...Ooh  
Everybody needs some time...  
on their own...ooh  
Don't you know you need some time...all alone I know it's hard to keep an open heart  
When even friends seem out to harm you  
But if you could heal a broken heart  
Wouldn't time be out to charm you Ooh-ooh-ooh--oh-oh-oh Sometimes I need some time...on my  
own  
Sometimes I need some time...all alone...ooh  
Everybody needs some time...  
on their own...ooh  
Don't you know you need some time...all alone And when your fears subside  
And shadows still remain...Oh Yeah  
I know that you can love me  
When there's no one left to blame  
So never mind the darkness  
We still can find a way  
Nothing lasts forever  
Even cold November rain You're not the only One  
You're not the only One Don't ya think that you need somebody  
Don't ya think that you need someone

Everybody needs somebody }3x  
You're not the only one  
You're not the only one Don't ya think that you need somebody  
Don't ya think that you need someone  
Everybody needs somebody
