Los Lonely Boys

Come on, stop thinking 'bout yourself.
Get up, don't wanna hear no lip.
Now you think you really got it bad.
You'll find out life ain't fair. Don't get mad. Oh, I wanna be free.
Don't take my time left from me. Go on, try to find your way.
No work ain't gonna get you pay.
Now you're grown, you think you're really bad.
You'll find out life ain't fair. Don't get mad.
Oh, I wanna be free.
Don't take my time left from me.
Oh, I wanna be free.
Don't take my time left from me. I'm still alive, I'm living with no fear.
No rules, I play it all by ear.
You know I've seen the good, I've seen the bad.
I found out life ain't fair, and I ain't mad.
Oh, I wanna be free.
Can't take my time left from me.
Oh, I wanna be free.
Can't take my time left from me.
