# Feel My Revenge

## Lullacry

A Trickle of blood
Grows into a stream
I can't understand
How it came to beAs the curtains fall
The play is over
For me it has just begun
Lights go on
The play is over
For me it has just begunFeel my revenge
Eye for an eye
Cold blade straight to your heart
Like a twist of knife you will
Feel my revenge
Cold blade straight to your heart
Feel my revenge
You're standing in there
But you can't see me
I want you to know
This will set me freeAs the curtains fall
The play is over
For me it has just begun
Lights go on
The play is over
For me it has just begunFeel my revenge
Eye for an eye
Cold blade straight to your heart
Like a twist of knife you will
Feel my revenge
Cold blade straight to your heart
Feel my revenge
As the curtains fall
The play is over
For me it has just begun
Lights go on
The play is over
For me it has just begunFeel my revenge
Eye for an eye
Cold blade straight to your heart
Like a twist of knife you will

Feel my revenge
Cold blade straight to your heart
Feel my revengeFeel my revenge
Feel my revengeFeel my revenge(end)
