Russian Girl

Bleeding Hearts

Let the fire in your eyes
Let the fire in your eyes
Burn like hell, Russian girl
Youre a devil in disguise
Love me now, Russian girlHere we go again x2You make me fall inlove
Let me feel your body,
Let me touch
You make me fall inlove
Let your arms around me, let me x2Let the fire in your eyes
Burn like hell, Russian girl
Youre a devil in disguise
Love me now, Russian girl x2
Let the fire in your eyes x3You make me fall inlove
Let me feel your body,
Let me touch
You make me fall inlove
Let your arms around me,let me
Let the fire in your eyes
Burn like hell, Russian girl
Youre a devil in disguise
Love me now, Russian girl x2You make me fall inlove
