One Man Army

GG Allin

Look out world, I'm a submachine gun for you
Shooting out bullets, gonna kill you too
Jumping up and down, screaming in the night
Taking orders from the man's gonna drive me wildWell I'm a one man army, baby, that's all I need
I'm a one man army, baby, and I shoot bullets in the street
A one man bullet, I'm shooting the army down
I take no orders and I kill everyone I don't want aroundWell I'm shooting up every night at ten
You best believe that it ain't gonna happen again
Gonna go out in the street, put my submachine down
Them bullets are flying, laying people on the groundWell I'm a one man army, baby, that's all I need
I'm a one man army, baby, and I shoot bullets in the street
A one man bullet, I'm shooting the army down
I take no orders and I kill everyone I don't want aroundWell I'm a one man army, baby, that's all I need
I'm a one man army, baby, and I shoot bullets in the street
A one man bullet, I'm shooting the army down
I take no orders and I kill everyone I don't want around
