

Gimme You

Billy Burnette

Well, when I get home, day's been rough
Gimme all your company
And when I get low and I've had enough
Gimme all your sympathyAnd when I need your love
I need it all day, all night
Anyway is all right
I ain't sayin' nothin' newGimme you, gimme you only you, honey you
You know all you gotta do is gimme
Gimme, gimme youAnd if I've been bad done you wrong
Gimme time to make it right
Honey, don't be mad 'cause it takes too long
And we ain't got time to fightAnd when I need your love
I need it alright, right now
Gonna get it anyhow
I ain't sayin' nothin' newGimme you, gimme you only you, honey you
You know all you gotta do is gimme
Gimme, gimme youGimme you, gimme you only you
You know all you gotta do is gimme
Gimme, gimme you
