

B for Butter

Toots & The Maytals

Do, do, do, do, do, oh, oh, oh
Fret not for tomorrow
'Cuz I know there will be no sorrow
Don't matter what the crisis
I will be your rescue
No, I'm not going to take no for that
'Cuz I know just where it's at
B for butter and T for tat
When it comes to loving someone, girl, you know
I'm in love with you
When it comes to holding and kissing
Girl, you know I'd do anything for you
