

# What's the Use? (Live At 3FM, Feat. Mocky)

## Jamie Lidell

It's a fine day  
Just escaped from a bad dream  
Asking what's the use of figuring it all out?  
I'm not starting again  
Just continuing the same  
Asking what's the use of figuring it all out? I'm a question mark  
A walking talking question mark  
I'm a question mark  
A walking talking question mark  
I'm a question mark  
A walking talking question mark But what is the question again?  
Ooohhhhah  
What's the use of figuring it all out? I guess a man alone  
Always talks too much  
Can't start again  
So he's just continuing the same  
Asking what's the use? What's the use?  
What's the use?  
What's the use? Now we know where we're going  
And who we are  
Doesn't seem to get us  
Too far  
Cause everything else is still a mystery  
And that mystery is Life  
I just wanna live Life may be sad sometimes but it's always beautiful  
Life may be sad sometimes but it's always beautiful  
Life may be sad sometimes but  
But it's always a question mark A walking talking question mark  
I'm a question mark  
A walking talking question mark  
Oh  
I'm a question mark  
A walking talking question mark  
What is the question  
I'm a question mark  
A walking talking question mark  
I'm a question mark  
Baby I'm a question mark  
But what

Is the question againWhat's the use?

Yeah

What's the use?

What's the use baby

What's the use babyOoohohhFiguring it all out
