Diable

Pitchshifter

Sit back, relax, forget it.
Can't hate me like I do, I know me better.
Sit back, relax, don't think don't sweat it, forget it.
(just) Can't hate me like I do, I hate I know me better.
No thoughts, no time, no questions.
Can't waste it like I do, I know me better.
No thoughts no time, no questions, no choice no answers.
(just) Can't waste it like I do, I waste I had more chances.
