Old & Gray

Danny Scerbo

Itâ€™s almost midnight, and I canâ€™t stop crying, woah
Because the thought of loosing you might make me want to die, yeah

I was a fool to treat you like the way I did, now I know that I was just a stupid kid, Iâ€™ll miss you if you choose to leave
I gotta admit I acted really rude, I canâ€™t imagine how the feeling is for you, Iâ€™ll miss you, Iâ€™m begging you p
donâ€™t go! But I knowâ€¦

Iâ€™ll be old and gray before I live to see the day
Weâ€™re no longer friends and we have gone our separate ways
Youâ€™re timeless to me, Iâ€™m timeless to you
We canâ€™t give up this soon
And Iâ€™ll be old and gray before I live to that day
Woah, woah, woah, woah, woah

So I force I smile and act like I donâ€™t care
But deep down I know Iâ€™m lying, coz I donâ€™t see you there

I was a fool to treat you like the way I did, now I know that I was just a stupid kid, Iâ€™ll miss you if you choose to leave
I gotta admit I acted really rude, I canâ€™t imagine how the feeling is for you, Iâ€™ll miss you, Iâ€™m begging you p
donâ€™t go! But I knowâ€¦

Iâ€™ll be old and gray before I live to see the day
Weâ€™re no longer friends and we have gone our separate ways
Youâ€™re timeless to me, Iâ€™m timeless to you
We canâ€™t give up this soon
And Iâ€™ll be old and gray before I live to that day
Woah, woah, woah, woah, woah

When we scream and fight, I still wanna have you in my life
But when we laugh and smile, thatâ€™s when I know, oh I know, that weâ€™ll be alright!

So Iâ€™ll be old and gray before I live to see the day
Weâ€™re no longer friends and we have gone our separate ways
Youâ€™re timeless to me, Iâ€™m timeless to you
We canâ€™t give up this soon
And Iâ€™ll be old and gray before I live to that day
Woah, woah, woah, woah, woah (x2)
