

# Too Far (Brothers In Rhythm House Mix)

## Kylie Minogue

Caught up in this house  
Trapped my very own self  
In the snare of my mind  
No more space than a slither  
What I'd give for a deep breath inside  
Where the chaos has my captive  
Where there's no exist sign  
Where I fuel the stupid fire  
With these feeling of mineLured into this den, it's bitter  
And I want sweetness again  
A taste that I agree with  
Get me past these perils and to my Eden  
Where the silence is a comfort  
Where there is no one else  
Where I'll be up from under  
Can uncurl my self  
Too many, too much, too hard  
Help me  
This time I went too far  
Too many, too much, too hard  
Help me  
This time I went too farCan I smash all of this open  
Can I pass the hurt with a little pain  
I want to see all of it crumble  
And start afresh all over again  
My eyes are wide open  
But I can hardly see  
Will laughter find a way  
Around these silent tearsToo many, too much, too hard  
Help me  
This time I went too far  
Too many, too much, too hard  
Help me  
This time I went too far
