

We Fall in Love (feat. Bryant Lamar)

Cade Rivera

Verse 1:

I know we've been friends for so long, I wanna try don't get me wrong, I know what they all but I want you any way yeah. You say just friends but I want more I cant see you with him any more I know you better, I know you're better I know I'm better for you.

Bridge:

All day you runnin' runnin' been runnin' through my mind lately been thinking that i could be moire than the other guy.

Pre-chorus:

I cant wait till we we cross that line line line no I cant wait to see your hand in mine mine mine.

Chorus:

We fall in love love love best friends in love love love we fall in love love love hopeless in love love love
Verse 2: maybe I'm dreamin' and if so don't wake me my hearts beating out of my chest I hope you take it. the friend zone is cool but its just not what i do i said the friend zone is cool but girl I want you. you're smile you're heart I want it all you're eyes bight as can be they light up my while world you know I never said those things about you and you know i've never said these things i say to you like

Bridge:

All day you runnin' runnin' been runnin' through my mind lately been thinking that i could be moire than the other guy.

Pre-chorus:

I cant wait till we we cross that line line line no I cant wait to see your hand in mine mine mine.

Chorus:

We fall in love love love best friends in love love love we fall in love love love hopeless in love love love
