

Jah Work

Ben Harper

Tell me do you really know
Your brother man
'Cause a heart speaks louder
Than a color can
And why would you even
Shake a man's hand
If you're not going
To help him stand Jah work
Jah work
Jah work is never done Every man's actions
Belong to he
If prepared for thereafter
To reach his destiny
Some people believe
And some people know
Some people deceive
And some people show Jah work
Jah work
Jah work is never done, never done Jah work
Jah work
Jah work is never is never done
Is never done You must do the heaviest
So many shall do none
You have got to stand firm
So many shall run
Some they rest their head at night
Some get no sleep at all
If you listen close to what you see
You will hear the call Whoa Jah work
Jah work
Jah work is never done, is never done Jah work
Jah work
Jah work hm is never, is never done
