

Rex's Blues

Townes Van Zandt

Advisory - the following lyrics contain explicit language:

Ride the blue wind, high and free
She'll lead you down through misery
Leave you low, come time to go
Alone and low, as low can be Well, if I had a nickel, I'd find a game
If I won a dollar, I'd make it rain
If it rained an ocean, I'd drink it dry
And lay me down dissatisfied It's legs to walk and thoughts to fly
Eyes to laugh and lips to cry
A restless tongue to classify
All born to grow and grown to die So tell my baby, I said so long
Tell my mother, I did no wrong
Tell my brother to watch his own
And tell my friends to mourn me none I'm chained upon the face of time
Feelin' full of foolish rhyme
There ain't no dark till something shines
I'm bound to leave the dark behind Well, ride the blue wind, high and free
She'll lead you down through misery
Leave you low, come time to go
Alone and low, as low can be
Alone and low, as low can be
