

# Fat Lenny

Ween

Fat Lenny's gonna walk right into myself  
Fat Lenny's gonna see myself reflect it back on myself  
And Fat Lenny's gonna lick the shellack off the window sill and I say  
Fat Lenny's gonna lick my head off You, stop by my friend Fat Lenny, I like him a lot  
(Tell him about my, buddy, get it now)  
No, Mr. Fat Lenny, what? Fat Lenny's gonna lick the shellack off the window sill and I said, now  
Fat Lenny's gonna jump up and down run back down the hill  
(Oh, Fat Lenny)  
And I said, now Fat Lenny knows what he is to be Fat Lenny  
'Cause he is Fat Lenny, he's my buddy  
(Oh, Fat Lenny) He's Fat Lenny I know what he is to be Fat Lenny  
'Cause he's my friend Fat Lenny  
I like Fat Lenny, like 'cause he's my friend Fat Lenny, Fat Lenny  
(Oh, Fat Lenny, Fat Lenny) What? He's Fat Lenny  
(You know, do you know?)  
Do you know he's Fat Lenny Fat Lenny's gonna lick my brain today  
Fat Lenny doesn't like me anyway  
Fat Lenny said my friend yesterday, Fat Lenny Oh, Fat Lenny, oh, Fat Lenny  
Oh, Fat Lenny, Fat Lenny, Fat, Fat, Fat Lenny  
Fat Lenny, oh, Fat Lenny  
Oh, Fat Lenny, Fat Lenny, Fat, Fat, Fat Lenny
