

# Sweet Emotion

## Aerosmith

Sweet emotion

Sweet emotion You talk about things that nobody cares

You're wearing out things that nobody wears

You're calling my name but I gotta make clear

I can't say baby where I'll be in a year Yeah yeah yeah yeah When some sweet hog mama with a face like a gent

Said my get up and go must've got up and went

Well I got good news, she's a real good liar

'Cause the backstage boogie set your pants on fire Yeah yeah yeah yeah yeah yeah yeah yeah yeah yeah

yeah Sweet emotion

Sweet emotion When I pulled into town in a police car

Your daddy said I took it just a little too far

You're telling me things but your girlfriend lied

You can't catch me 'cause the rabbit done died

Yes it did You stand in the front just a shakin' your ass

I'll take you backstage, you can drink from my glass

Your telling me things I can sure understand

'Cause a month on the road an' I'll be eating from your hand
