Love In Your Eyes (7" Version)

Limahl

Is it your alluring way
Could you always drown the fire?
Keep a check on all you feel
Keep a hold on all your desire.
But I feel there's something new and it's lying in your eyesThere's a shudder running through you
Now I realize.Inside turning to outside
The feeling you can't hide is touching a high-light
In your eyes.
Inside turning to outsideIt's gonna be alright
It's running a high for you and I.Like a shadow of yourself
like a spirit in the airLooking desperately for help
You've been looking everywhere.
My heart is beating fast
blue eyes are locked on mineA vision flashes past
Moving me in time.Inside turning to outside
And we can live in a beautiful world
Hide away under peaceful skies.
We can survive on time and a word
Feel the nights passing by.Inside to outside, inside to outside, inside to outside.
Inside turning to outside
Inside turning to outside
Inside turning to outside
