

Work It Out

Jurassic 5

1, 2, 1, 2

A don't stop stop your dreamin'
Let yourself float upon the notion
We can work it out, we gon' work it out, baby
Go ahead lose yourself inside this opportunity
That we gonna make it right now, make it right now
Hey, we live and we learn, we crash and we burn
Right now my only rhyme is this lesson I learned
You talk about trust, I talk about lust
It's not appealin' as you truly speak your feelings
I be lookin' at the ceilin', so concealin'
I shoulda put my heart on the table
Knowin' I was good and able but instead I fed your fables
If I could have you back, best believe it'd be forever
'Cause each and every day you would hear those four letters

A don't stop stop your dreamin'
Let yourself float upon the notion
We can work it out, we gon' work it out, baby
Go ahead lose yourself inside this opportunity
That we gonna make it right now, make it right now
Hey, these are different times but we feel the same pains
The blood of mankind runnin' through the same veins
We'd like to make it right some which it remain tame
Same crimes even though they names changed
And we like different minds workin' off the same brain
Passengers on different cars steppin' off the same train
In the end, makin' it right is the main aim
Different parts of the picture highlight the same frame

A don't stop stop your dreamin'
Let yourself float upon the notion
We can work it out, we gon' work it out, baby
Go ahead lose yourself inside this opportunity

That we gonna make it right now, make it right now
Now if you know what I know you need to work it out
(Work it out)
If you ain't happy with yourself you need to work it out
(Work it out)
You havin' problems with your family then work it

The things we go through just to work it
I work it out when the situations seems unworkable
Unreversible but God is most merciful
Many works, many men converse
With soul search sweat it out when they tryin' to work it out
With the constant complaint, we either gonna make it fly
Or we ain't, I already know what some of ya think
I'ma talk a hip hop and how bad it's got
Then tryna pull a brother, I'm not lookin' for nobody to judge
You said you ain't, I never thought you was
I'm just tryna get with ya and pose in the same picture
So this mic thing can move the right thing and do the right thing
Made for your life game, plus my man might sing

1, 2

A don't stop stop your dreamin'
Let yourself float upon the notion
We can work it out, we gon' work it out, baby
Go ahead lose yourself inside this opportunity
That we gonna make it right now, make it right now
A don't stop stop your dreamin'
Let yourself float upon the notion
We can work it out, we gon' work it out, baby
Go ahead lose yourself inside this opportunity
That we gonna make it right now, make it right now
