

# Fields Of Gold

[Eva Cassidy](#)

You'll remember me when the west wind moves  
among the fields of barley  
You can tell the sun in his jealous sky,  
when we walked in fields of goldSo she took her love,  
for to gaze awhile,  
among the fields of barley  
In his arms she fell as her hair came down  
among the fields of goldWill you stay with me?  
Will you be my love  
Among the fields of barley?  
And you can tell the sun in his jealous sky  
when we walked in fields of goldI never made promises lightly,  
and there have been some that i have broken,  
but i swear in the days still left  
we will walk in fields of gold,  
we will walk in fields of gold(instrumental)I never made promises lightly,  
and there have been some that i have broken,  
but i swear in the days still left  
we will walk in fields of gold,  
we will walk in fields of goldMany years have passed since those summer days  
among the fields of barley  
See the children run as the sun goes down,  
as you lie in fields of goldYou'll remember me when the west wind moves  
among the fields of barley  
You can tell the sun in his jealous sky  
when we walked in fields of goldWhen we walked in fields of gold  
When we walked in fields of gold
