He's Lost

Blood Ruby

Sleeps in your bed,
Eats from your bread;
God only knows what
The neighbors say.
He empties the bottle,
Says never again;
Wanna believe
That it's gonna changeBut all of this time
You've been lying
So no one ever knows.
And all of this time
You've been trying
To save unwilling souls.
Hurry home through the night;
He's lost without you,
Lost without you.
Hurry home to his side;
He's lost.Begs your forgiveness,
His only friend,
Starting all over
Closer to the end.
With or without him,
Facing a void,
Somehow it feels like
You have no choiceBut all of this time
You've been lying
So no one ever knows.
And all of this time
You've been trying
To save unwilling souls.
Hurry home through the night;
He's lost without you,
Lost without you.
Hurry home to his side;
He's lost.Do you really think your love
Is gonna save him, alone?
Well, take my advice,
Unless you're Christ,
It won't, no it won't.Sleeps in your bed,

Eats from your bread;
God only knows what
The neighbors say.
He empties the bottle,
Says never again;
Wanna believe
That it's gonna change...Hurry home through the night;
He's lost without you,
Lost without you.
Hurry home to his side;
He's lost.Lyrics
