

Women Rule the World

Lonestar

(Dean Sams/Brett James) I guess just about everything I've ever done

I've been tryin' to impress or get close to one of 'em

Seems like I was about thirteen

Bobbi Jo Guthrie was the pumpkin queen

That night I realized for the very first time

Women rule the world. The way they talk, the way they giggle

The way they walk, the way they jiggle

Makes men buy 'em diamonds and pearls

That look when they're up to something

Soft touch, oh that lovin'

They're sexy when they're mamas

Cute when they're girls

Women rule the world.

We men like to think we're in control

We all want to be big shots

We like to think we run the show

The truth is with just the right smile

You ladies know you can drive us wild

Those mini-skirts and the way you flirt

You know just what works

Women rule the world. The way they talk, the way they giggle

The way they walk, the way they jiggle

Makes men buy 'em diamonds and pearls

That look when they're up to something

Soft touch, oh that lovin'

They're sexy when they're mamas

Cute when they're girls

Women rule the world.

In all shapes and sizes

They make my temperature rise

Style and brains, the whole shebang

I'm here to say, women rule the world. That look when they're up to something

Soft touch, oh that lovin'

They're sexy when they're mamas

Cute when they're girls

Women rule the world. Women rule the world.

Women rule the world.

Women rule the world...
