

I Will Turn Your Money Green (Alternate Take)

[Furry Lewis](#)

When I was in Missouri
Would not let me be
Wouldn't rest content
'Till I came to Tennessee
If you follow me baby
I'll turn your money green
I show you more money
Rockerfeller ever seen
If the river was whiskey
Baby and I was a duck
I'd dive to the bottom
Lord and I'd never come up
Lord the woman I hate
I see her every day
But the woman I love
She's so far away
Talk about sweetheart
I declare I'm a honest man
Give my woman so many dollars
It broke her apron string
All she give me was trouble
I'm troubled all the time
I been troubled so long
Trouble don't worry my mind
I been down so long
It seem like up to me
Woman I love
She done quit poor me
What's the need of me hollering
What's the need of me crying
Woman I love
She don't pay me no mind
