Waves (feat. Kacey Musgraves)

Uh set it up, whilin', runnin', jivin'
Baby drop it like it's stalling, stalling tonight
I wanna ride that wire
Run it good for the beach, do you got that ocean?
Your body surf, don't sleep, body surf on meDon't stop, I wanna ride that wave
All night, I wanna ride that wave
Look here, I'm gonna surf in it baby
I'm getting turnt in it baby
Putting work in it baby
Keep working it while I ride that wave
