## **JEFF the Brotherhood**

i play air guitar, on the lone prairie  
and ill drive the van to tennesseei dont wanna live anymore  
somebody elses dreamno more credit card, no more telephone  
i dont want a job, i dont want a homei dont wanna live anymore  
somebody elses dreami push my hands  
into the ground and i cry  
i lay in the grass and wish  
the world would pass me bybut i got caught up in the game  
and i dont like what i becameim gonna try but ill be satisfied  
with somebody elses dreamand i count the days, until i am free  
and i run away. down to tennesseei wont have to live anymore  
somebody elses dream  
but i got caught up in the game  
i had to learn everybodys name  
im gonna try  
but ill be satisfied with somebody elses dream
