Warriors of Light (Bonus)

Freedom Call

We're standing on the edge of time
We're riding to the stars
And we never will surrender
Lonely knights we areAnd we are flying into the open sky
Gliding to the stars
We are standing strong together
But still they seem so farAnd we're diving into eternity
Facing destiny
And we are flying away eternally
Forever riding freeHands up high
Oh warriors of light
And carry on a thousand times
You're forever lasting rideLand of light
The glorious unite
Oasis for a thousand lifes
Forever we surviveWe're flying to the promised land
To the gates of no return
We're heading for the future
And we'll fight until the endOnce upon a time
We reached the stars our hands have touched the sky
