

# Pretty

Nicole Scherzinger

When I was your woman  
and you was my man  
You used to say the sweetest things to me  
but you was always good with that  
You used to tell me I was pretty  
the best that you've ever had  
and there was nothing more important to you  
than being with the perfect 10  
So my, my nails were done  
I had my hair on point  
and my, my body tight  
the way you like it boy  
Yes, I played the part  
then you broke my heart  
as if I meant nothing to you  
can't believe how you made me feel pretty  
Pretty upset, pretty broken  
I feel so pretty  
Pretty messed up  
Pretty much done  
Now without your so called pretty  
only know that "pretty" messed us  
I don't wanna be pretty no more!  
I was your woman  
and you was my man  
I tried to share my world with you,  
  
but you just didn't give a damn.  
You'd just tell me I was pretty  
as if that's all that I am  
It's like you never even knew me  
or tried to get to know me  
I was just an accessory  
I can't believe how you made me feel pretty  
Pretty upset, pretty broken  
I feel so pretty  
Pretty messed up  
Pretty much done  
Now without your so called pretty

only know that "pretty" messed us  
I don't wanna be pretty no more!  
if I had to do it all over again  
I could swear this would be hella different  
Cuz you made me question who I really am  
I don't know why I put up with you  
can't believe how you made me feel pretty  
Pretty upset, pretty broken  
I feel so pretty  
Pretty messed up  
Pretty much done  
Now without your so called pretty  
only know that "pretty" messed us  
I don't wanna be pretty no more!
