As (feat. Jacob Collier)

Becca Stevens

As around the Sun the Earth knows she's revolving
And the rosebuds know to bloom in early May
Just as hate knows love's the cure
You can rest your mind assured
That I'll be loving you alwaysAs now can't reveal the mystery of tomorrow
But in passing will grow older everyday
Just as all is born is new
You know what I say is true
That I'll be loving you alwaysAlways
Always
Always
Always
Did you know that true love asks for nothing
Her acceptance is the way we pay
Did you know that life has given love a guarantee
To last forever and another dayAlways
Always
AlwaysJust as time knew to move on since the beginning
And the seasons know exactly when to change
Just as kindness knows no shame
Through all your joy and pain
That I'll be loving you alwaysAs today I know I'm living but tomorrow
Could make me the past but that I mustn't fear
For I know deep in my mind
The love I've left behind
'Cause I'll be loving you always
Always
Always
Always
Always
(Until the day is night and night becomes the day)
Always
(Until the trees and seas just up and fly away)
Always
(Until the day that 8 times 8 times 8 is 4)
Always
(Until the day that is the day that I'm no more)
AlwaysUntil the rainbow burns the stars out in the sky
(Always)

Until the ocean covers every mountain high
(Always)
Until the dolphin flies and parrots live at sea
(Always)
Until we dream of life and life becomes a dream
(Always)Always
Always
(Always)
Always
Always
(Always)
Always
Always
(Always)
Always
Always
(Always)Always
Always
(I'll be loving you, loving you)
(Always)
I'll be loving you
(I'll be loving you always)
(Always)
I'll be loving youAlways
Always
I'll be loving you
(Loving you always)
(Always)
Always
(I'll be loving you)
