Fuck out of my way you ain't touching my yayo
Tell these hoes pack up,

All my niggas Cambodian and those niggas don't play,
White sparks in my tray, high the rest in my days
Fuck police you faggot hoes, we put it in your graves
Who the fuck gon stop me? More money I crave,
Bitch you ain't in my lane, don't you ever come to Jane,
In the hood I ain't laughing hoe, fucking with me you deaf hoe,
Shoot you when your rental, 90's kids, we retro
