

# I Wanted Everything

[Kurt Vile](#)

I wanted everything, but i think that i only got most of it  
Lord willing and if the creek don't rise  
I'm gonna love ya all the time  
I ain't never gonna go to work no more  
Kickin and screamin and  
alright, i'm goin out the door  
Lord willing and if the creek don't rise  
I'm gonna sit around til i get wise  
I ain't never goin to go work no more  
Cos i was an old man and that's all i ever did
