Love You No More

Bob Sinclar

you don't get dressed up for me no more
don't do your make up for me no more
don't clean the place up for me no more
we sleep and wake up
make love no more
no late night movies with me no more
play fighting jacuzzis with me no more
don't shake your booty for me no more
look what you done to me
can't speak no more
yeah, girl
i just wanna be a better man
i'm far from an angel or reverend
the streets tryna make a brother sell again
but i just wanna hold hands with you again
why why would you think i don't love you no more
no more no more no more no more
why why would you think i don't love you no more
no more no more no more no more
no dirty dancing 'tween us no more
and no romancing 'tween us no more
there's no affection 'tween us no more
there's no direction where do i go
they wanna see us let go but i'm sure you know
that i will never walk out that door
and i'm sure you know
that i will be there to fight for you and will look out for you

even though you were letting go
you will always be my only
no i'll never leave you loney
you're my friend, you're my homie
i'm coming home-y
i just wanna be a better man
i'm far from an angel or reverend
the streets tryna make a brother sell again
but i just wanna hold hands with you again
why why would you think i don't love you no more
no more no more no more no more

why why would you think i don't love you no more
no more no more no more no more
wanna let you know that i'm like your shadow
and no matter where you go my heart will follow
even though you've seen a lot, heard a lot
one thing's for sure is we're all we've got
hope to ease the pain by telling you just one thing
that i'll always love you
i just wanna be a better man
the streets tryna make a brother sell again
but i just wanna hold hands with you again
why why would you think i don't love you no more
no more no more no more no more
why why would you think i don't love you no more
no more no more no more no more
