Aerial Love (Midnight Pool Party Remix)

Daniel Johns

Ooh, I'm ready, ooh, I'm ready, ooh
Ooh, I'm ready, ooh, I'm ready, oohAt the end of the day it's alright
Gonna pull it together
Change my old ways, take a piece of the future
Waited so long for the end of the day
Ooh-oohI've been thinking of a time when we didn't have each other
Try to understand, I could never want another, let's talk
I don't wanna lie
I've been dreaming of a future, maybe we could be together
I'm never gonna lose you baby, we can live forever let's talkWe got this aerial love
We got this aerial love, ooh-ooh
We got this aerial love
We got this aerial loveAt the end of the day, we'll take flight
See you later, gonna love you and leave, you gotta believe
It's a true kind of love
At the end of the day, ooh-oohI've been thinking of a time when we didn't have each other
Try to understand, I could never want another, let's talk
I don't wanna lie
I've been dreaming of a future, maybe we could be together
I'm never gonna lose you, baby, we can live forever, let's talkWe got this aerial love
We got this aerial love, ooh-ooh
We got this aerial love
We got this aerial loveWe got this aerial love
We got this aerial loveI've been thinking of a time when we didn't have each other
Try to understand, I could never want another, let's talkWe got this aerial love
We got this aerial love, ooh-ooh
We got this aerial love
We got this aerial love
