

# Once Upon My Nightstand (Acoustic)

[\*\*Finch\*\*](#)

I'm sleeping to give my head a rest  
I am so sick of these arguments  
Alone, once again I'm on my own  
Just need some time to myself or I'll explode  
I know that this is all my fault  
And one day I will get it right  
But for now I sit here and remind myself  
That everything will be okay  
Your letter written on a napkin  
Sits on my nightstand  
And it reads:  
This is...  
This is the last time  
That I will write to you  
This is goodbye  
I know that this is all my fault  
And one day I will get it right  
But for now I sit here and remind myself  
That everything will be okay
