

# Gucci Gucci

## Kreayshawn

One big room full of bad bit\*\*es[Hook:]  
And we stunting like  
Gucci Gucci, Louis Louis, Fendi Fendi, Prada  
Basic bit\*\*es wear that shit so I don't even bother[Verse 1:]  
Gucci Gucci, Louis Louis, Fendi Fendi, Prada  
The basic bit\*\*es wear that sh\*\*, so I don't even bother  
I put that on my partner, I put that on my family  
Oakland city representer, address me as your majesty  
Yeah you can kiss the ring, but you can never touch the crown  
I smoke a million Swisher blunts and I ain't never coming down  
Bi\*\*h you ain't no Barbie I see you work at Arby's  
Number 2, super-sized Hurry up I'm starving  
Gnarly, radical, on the block I'm magical  
See me at your college campus baggie full of Adderalls  
Call me if you need a fix, call me if you need a boost  
See them other chicken heads? They don't never leave the coop  
I'm in the coupe cruising, I got the stolen plates  
Serving all the fiends over there by the Golden Gate  
Bridge, I'm colder than the fridge and the freezer  
I'm snatching all your bit\*\*es at my leisure[Hook:]  
And we stunting like  
Gucci Gucci, Louis Louis, Fendi Fendi, Prada  
Basic bi\*\*hes wear that sh\*\* so I don't even bother[Verse 2:]  
Gucci Gucci, Louis Louis, Fendi Fendi, Prada  
I'm lookin like Madonna but I'm flossing like Ivana  
Trump, you know I keep that work in my trunk  
Got my hand on the pump if you wanna press your luck  
I'm yelling "Free V-Nasty" 'til my throat is raspy  
Young, rich and flashy I be where the cash be  
You can't find that? I think you need a Google Map  
My pearl-handled kitty-cat will leave and press your noodle back  
Now Google that groupies follow me like Twitter  
I'm rolling up my catnip and shi\*\*ing in your litter  
Why you looking bitter? I be looking better  
The type of bi\*\*h that make you wish that you ain't never met her  
The editor, director plus I'm my own boss  
So posh, nails fierce with the gold gloss  
Which means nobody getting over me  
I got the swag and it's pumping out my ovaries[Hook:]

And we stunting like  
Gucci Gucci, Louis Louis, Fendi Fendi, Prada  
Basic bit\*\*es wear that shit so I don't even bother[Outro:]  
Oh, all you basic ass hoes out there  
Man I got rooms full of bad bitches  
They don't need Gucci, they don't need Louis  
We swagging, ehh, meow
