

Sparkle

Seal

To me you're a sparkle, yeah
To me you're a sparkle, eh
Louise you're my sparkle, yeah
To me you're a sparkle Well, well, well, way
Woah, woah, woah, woah
Well, well, well, way
Woah, woah, woah, woah, yeah
Oh, baby, yeah
Oh baby, oh baby Don't you know? I won't do you no harm, baby
I'm only trying to tell you exactly how I feel
Being this sincere, yeah
I will reveal oh I, all that is real To me you're a sparkle, yeah
To me you're a sparkle, eh
Louise you're my sparkle, yeah
To me you're a sparkle Don't you know? I won't do you no harm, baby
I'm only trying to tell you exactly, feel
I will reveal all that is real To me you're a sparkle, yeah
To me you're a sparkle, yeah
Louise you're my sparkle, yeah
To me you're a sparkle To me you're a sparkle, yeah
To me you're a sparkle, yeah
Louise you're my sparkle, yeah
To me you're a sparkle Well, well, well, way
Woah, woah, woah, woah
(I'm only trying to tell you exactly) Well, well, well, way
(Be just what you are)
Woah, woah, woah, woah
[Incomprehensible] Well, well, well, way
(Don't you know I want you)
Woah, woah, woah, woah
Well, well, well, way
Woah, woah, woah, woah Yeah oh, to me you're a sparkle, yeah
To me you're a sparkle, yeah
Louise you're my sparkle, yeah
To me you're a sparkle, yeah To me you're a sparkle, yeah
To me you're a sparkle, yeah
Louise you're my sparkle, yeah
To me you're a sparkle, yeah To me you're a sparkle, yeah
To me you're a sparkle, yeah
