I'm Your Favourite Drug

Nancy Spungen

What you get is what you see
It won't take much to get hooked on me
So shoot me right into your skin
And I will be your heroin

The side effects are sexual
Are you dying for a taste?
The side effects are sexual
And you love the way I say

I'm your favourite drug
Your favourite drug
Just one hit is never enough
I'm your favourite drug
Your favourite drug
You can't break this addiction
No!
Your favourite drug
Your favourite drug
I'm your favourite drug
Your favourite drug

I put my nails into your back
And you'll feel me like a spinal tap
You want it from me on both knees
But not until you beg me "please"

The side effects are sexual
Are you dying for a taste?
The side effects are sexual
And you love the way I say

I'm your favourite drug
Your favourite drug
Just on hit is never enough
I'm your favourite drug
Your favourite drug
You can't break this addiction
No!
Your favourite drug

Your favourite drug
I'm your favourite drug
Your favourite drug
Your favourite drug
Your favourite drug
I'm your favourite drug
You favourite drug

I'm your pleasure
In your pain
I'll numb your fear
Just like cocaine
And I'm your treasure
Say my name!

I'm your favourite drug
Your favourite drug
Just one hit is never enough
I'm your favourite drug
Your favourite drug
You can't break this addiction
No!
Your favourite drug
Your favourite drug
I'm your favourite drug [you can't break this addiction, No!]
Your favourite drug
Your favourite drug
Your favourite drug
I'm your favourite drug [you can't break this addiction, No!]
Your favourite drug
Your favourite drug
Your favourite drug
I'm your favourite drug
Your favourite drug [YOUR FAVOURITE DRUG!]
Your favourite drug
Your favourite drug
I'm your favourite drug
Your favourite drug
YOUR FAVOURITE DRUG!!!
