

You Light Up My Life

[Samantha Cole](#)

You, you light up my life
So many nights, I sit by my window
Waiting for someone to sing me his song
So many dreams, I kept deep inside me
Alone in the dark, now you've come along
And you light up my life
You give me hope to carry on
You light up my days
And fill my nights with song
Rolling at sea, adrift on the water
Could it finally be, I'm turning for home
Finally a chance to say, "Hey, I love you"
Oh, never again to be all alone
And you, light up my life
You give me hope to carry on
You light up my days
And fill my nights with song
And you, you light up my life
You give me hope to carry on
On and on and on and on and on and on, on
You light up my days
And fill my nights with song
'Cause you, you light up my life
You give me hope to carry on
You light up my days
And fill my nights with song
It can't be wrong when it feels so right
'Cause you, you light up my life
