

Mississippi

Sheryl Crow

Every step of the way, we walk the line
Your days are numbered, so are mine
Time is piling up, we struggle and we scrape
All boxed in, nowhere to escape
The city's just a jungle, more games to play
I'm trapped in the heart of it, trying to get away
I was raised in the country, been working in the town
I been in trouble since I set my suitcase down
I ain't got nothing for you, I had nothing before
Don't even have anything, for myself anymore
Sky's full of fire and the rain is pouring down
There's nothing you can sell me, so I'll see you around
All my powers of expression and thoughts so sublime
Could never do you justice, reason or rhyme
There's only one thing that I did wrong
I stayed in Mississippi a day too long
Devil's in the alley, the mule kicking in the stall
Say anything you wanna, I've heard it all
I was thinking about the things that she said
I was dreaming, I was sleeping in your bed
Walking through the leaves falling from the trees
Feel like a stranger nobody sees
So many things we never will undo
I know you're sorry, well I'm sorry too
Some people will offer you their hand and some won't
Last night I knew you, tonight I don't
I need something strong to distract my mind
I'm gonna look at you till my eyes go blind
Well I got here, following the Southern Star
I crossed that river just to be where you are
There's only one thing that I did wrong
I stayed in Mississippi a day too long
Well my ship's been split to splinters it's sinking fast
I'm drowning in the poison, got no future, got no past
But my heart is not weary, it's light and it's free
I've got nothing but affection for those who've sailed with me
Everybody's moving if they ain't already there
Everybody's got to move somewhere
Well stick with me baby anyhow
Things should start to get interesting right about now
My clothes are wet, tight on my skin
Not as tight as the corner that I painted myself in
I know that fortune is waiting to be kind
So give me your hand and say you'll be mine
The emptiness is endless, cold as clay
You can always come back, but you can't come back all the way
Well there's only one thing that I did wrong
I stayed in Mississippi a day too long
Yeah the only thing that I did wrong
Was stayed in Mississippi a day too long
The only thing that I did wrong

Was stayed in Mississippi a day too long
