

Impossible

James Arthur

I remember years ago
Someone told me I should take
Caution when it comes to love
I did...I didAnd you were strong and I was not
My illusion, my mistake
I was careless, I forgot
I did... I didAnd now when all is done
There is nothing to say
You have gone, and so effortlessly
You have won
You can go ahead tell themTell them all I know now
Shout it from the rooftops
Write it on the sky line
All we had is gone nowTell them I was happy
And my heart is broken
All my scars are open
Tell them what I hoped would be
Impossible, impossible
Impossible, impossibleFalling out of love is hard
Falling for betrayal is worse
Broken trust and broken hearts
I know.. I know
Thinking all you need is there
Building faith on love and words
Empty promises will wear
I know.. I knowAnd now all is gone
There is nothing to sayAnd if you're done with embarrassing me
On your own you can go ahead tell themTell them all I know now
Shout it from the roof tops
Write it on the sky line
All we had is gone nowTell them I was happy
And my heart is broken
All my scars are open
Tell them what I hoped would be
Impossible, impossible
Impossible, impossibleI remember years ago
Someone told me I should take
Caution when it comes to love
I didTell them all I know now

Shout it from the roof tops
Write it on the sky line
All we had is gone now Tell them I was happy
And my heart is broken
All my scars are open
Tell them what I hoped would be
Impossible, impossible
Impossible, impossible
Impossible, impossible
Impossible, impossible.
