Shivers (Frontliner remix)

Armin van Buuren

A little bit just a little bit
A little bit just a little bit
A little bit just a little bit
A little bit just a little bitWorld's on turn around
Music make no sound
Where is sweetness found
Where love is goneSun don't come around
Don't make a sound
Where can love be found
If your heart won't feelShivers
Up and down my spine
Breaker
Not on my mindA little bit just a little bit
A little bit just a little bit
A little bit just a little bit
A little bit just a little bitHow could it end this way
Don't leave me, love me
Just a little bit longer
Just a little bit longer
Just a little bit longerThey don't turn tonight
Morning don't bring light
Where is sweetness found
Where love is goneWon't you stay tonight
Let the truth shine bright
Where can love be found
If your heart won't feelMemories
Emotions that we share
Teardrops
Signing my faceHow could it end this way
Don't leave me, love me
Just a little bit longer
Just a little bit longer
Just a little bit longer
Just a little bit longerA little bit just a little bit
A little bit just a little bit
A little bit just a little bit
A little bit just a little bit
