I Will Wait for You There

Phil Wickham

I will wait for you there
Down on my knees where I met you
Give you all of my cares
Find a grace to hold on to now
I?m calling for you

I will wait for you there
Far from the world and it?s violence
It left me broken and bare
I need to hear you in the silence now
I?m calling for you

And with outstretched arms I will sing out melodies
And my beating heart will pour out a symphony
Hallelujahs in the morning, Hallelujahs in the night
I will wait for you, as long as I have life

I will wait for you there
Down on my knees where I met you
Cause life is a war fought with tears
But you are the strength I long to know
I?m calling for you

And with outstretched arms I will sing out melodies
And my beating heart will pour out a symphony
Hallelujahs in the morning, Hallelujahs in the night
I will wait for you

And with outstretched arms I will sing out melodies
And my beating heart will pour out a symphony
Hallelujahs in the morning, Hallelujahs in the night
I will wait for you, as long as I have life
