

# My Heart Cries for You

[Brenna Whitaker](#)

My heart cries for you  
Sighs for you  
Dies for you  
And my arms long for you  
Please come back to me.If you are far away dear  
I'll be with you  
Where ever you may wonder  
I'll be there too  
You'll have a million chances to start a new  
Because my love is endless  
For you  
Cuz my heart cries for you  
Sighs for you  
Dies for you  
And my arms long for you  
Please come back to meThe bloom has left the roses  
Since you left me  
The birds have left my window  
Since you left me  
I'm lonely as a sailboat that's lost at sea  
I'm lonely as a human could be  
Cuz my heart cries for you  
Sighs for you  
Dies for you  
And my arms long for you  
Please come back to mePlease come back to me  
Please come back to me
