

# Can't Help Falling in Love

[Bob Dylan](#)

Wise men say, only fools rush in  
But I can't help falling in love with you  
Shall I stay, will it be a sin  
If I can't help falling in love with you? Like a river flows surely to the sea  
Darling, so it goes, some things were meant to be  
Take my hand, take-a my whole life too  
For I can't help falling in love with you Like a river flows surely to the sea  
Darling, so it goes, some things were meant to be  
Take my hand, take-a my whole life too  
For I can't help falling in love with you
