

# Die Young Live Forever

## We The Kings

I wanna feel your everything  
I want it more than the same routine  
We both know we've gone too far again  
I wanna hear your every breath  
All you secrets laid to rest  
We both know it never has to end 'Cause we could make the same mistakes  
We could turn and run away Don't let go  
I'll never let you be alone  
Tonight we're gonna get high or fall together  
Die young or live forever  
Don't let go  
I'll love you till our hearts go cold  
Tonight we're gonna get high or fall together  
Die young or live forever Young love don't mean a thing  
With eyes wide we live our dreams  
They don't know it's not the way it seems  
We live fast until the crash  
Leave here we won't look back  
They don't know, they think it's meant to last 'Cause we could make the same mistakes  
We could turn and run away Don't let go  
I'll never let you be alone  
Tonight we're gonna get high or fall together  
Die young or live forever  
Don't let go  
I'll love you till our hearts go cold  
Tonight we're gonna get high or fall together  
Die young or live forever Woah  
You know that we're the same, no need to know our names  
Woah  
We'll live and die through the eyes of a runaway  
Woah  
You know they'll never change  
They will forget our names Don't let go  
I'll never let you be alone  
Tonight we're gonna get high or fall together  
Die young or live forever  
Don't let go  
I'll love you till our hearts go cold  
Tonight we're gonna get high or fall together

Die young or live forever
