Never Again

Amila Zazu

Would have given up my life for you
Guess it's true what they say about love, It's blind
Girl, you lied straight to my face lookin' in my eyes
And I believed you 'cause I loved you more than life
And all you had to do, was apologize
You didn't say you're sorry, I don't understand
You don't care that you hurt me, and now I'm half the man
That I used to be when it was you and me, you didn't love me enough
My heart may never mend, and you'll never get to love me again
No no, no, no, no, no, no
Sadness has me at the end of the line
Helpless watched you break this heart of mine
And loneliness only wants you back, here with me
Common sense knows that you're not good enough for me
And all you had to do was apologize and mean it
But, you didn't say you're sorry, I don't understand
You don't care that you hurt me, and now I'm half the man
That I used to be when it was you and me, you didn't love me enough
My heart may never mend and you'll never get to love me
Wish like hell I could go back in time
Maybe then I could see how
Forgiveness says that I should give you one more try
But it's too late, it's over now, ooh
You didn't say you're sorry, I don't understand
You don't care that you hurt me, and now I'm half the man
That I used to be when it was you and me, you didn't love me enough
My heart may never mend, and you'll never get to love me again, yeah
Again, yeah yeah
Again again again
Yeah yeah yeah
Never get to love me
