

# Leave It All Up To You

## Pretty Ricky

Pretty Ricky, baby I'ma leave it up to you  
Leave it all up to you  
I'ma leave it up to you  
Leave it all up to you Leave it all up to you gurl  
[Incomprehensible] tonight  
I'ma leave it all up to you gurl  
You gotta break da ice Leave it all up to you gurl  
It's gonna be worth those nights  
I'ma leave it all up to you gurl  
It's what you wanna do Let's make sex a holiday  
Let's celebrate all night and all day  
Baby girl what does it take  
A little foreplay, we can sex the night away Yeah, gurl I'ma leave it up to you  
I wanna see what you're gonna do  
'Cuz tonight it's only me and you  
Yeah, yeah, woah Let me do you after school like some homework  
But please don't give me no STD's  
I'ma leave it up to you to please me  
Age ain't nothing but a number you don't need ID for me I'll be your lover, undercover  
And you ain't gotta tell your mother we alone with each other  
Because our first chance to romance  
We can sneak away and take trip to France with your friends But tonight I'm all yours  
Leave it up to you to devour this four course with dessert of course  
So what you waiting for  
You're stuttering saying gimme gimme more, gimme gimme gimme more Leave it all up to you gurl  
[Incomprehensible] tonight  
I'ma leave it all up to you gurl  
You gotta break da ice Leave it all up to you gurl  
It's gonna be worth those nights  
I'ma leave it all up to you gurl  
It's what you wanna do Let's take our time, slow it down  
I'ma show you how a real player get down  
I'ma blue star baby ain't no pressure  
Come over here and let me lift your dress up Holy dresser wish ya pleasure  
Call up the maid and she can clean the mess up  
Don't say nothing baby hold that thought Every thing I do is messed up  
You got me torn up  
Like Latoya Luket  
Wanna drop it in your bucket I'ma player tryna crush it

I can tell that you want it  
Oh, honey you got my feelings involved  
I wanna cough it Been 2 weeks 4 days, why, why  
I still ain't touch it  
I wanna put it in your stomach  
Like some [Incomprehensible] Your body language telling me  
You want da same thang  
You not no ordinary thang  
'Cuz you my main thang Dis ain't no guessin' game  
I'm not tryna play Hangman  
Show you thangz, buy you thangs  
Oh, you's a sexy thang Ice in your earing  
Ice on your pinky ring  
Ice on your toe ring  
That's ice on my finger ring Leave it all up to you gurl  
[Incomprehensible] tonight  
I'ma leave it all up to you gurl  
You gotta break da ice Leave it all up to you gurl  
It's gonna be worth those nights  
I'ma leave it all up to you gurl  
It's what you wanna do I'ma leave it up to you  
Leave it all up to you  
I'ma leave it up to you  
Leave it all up to you I'ma leave it up to you  
Leave it all up to you  
I'ma leave it up to you  
Leave it all up to you
